From the President's desk

Dear Alumnae and Friends,
I hope this letter finds you safe and healthy! Like the rest of our nation, we are dealing with the uncertainty surrounding the COVID-19 virus. However, the faculty continues to engage and educate our Pres Girls virtually, and the staff is cleaning the campus and keeping things operating as smoothly as possible.

Dills

In the Fall of 2019 edition of The Tower Alumnae Magazine I had the opportunity to lay out my goals for the coming years. My first goal, and the top priority of the business side of the school, is to find and establish sustainable financial re-

sources. Every young woman – no matter her race, religion or socio-economic status – should have access to a Catholic education at Presentation. I know all of us at Pres want the school to remain diverse so that the classroom has young women from all walks of life.

This past fiscal year, I had the opportunity to meet and thank many of you for your support. **We couldn't do it without you!** After speaking with alumnae and friends of Pres, I realized that we must have an investment plan and spending policy in order to reach the goal of having sustainable financial resources. Next fiscal year, I'll pull a team together to make sure that this is approved and established.

With the assistance of alumnae, the Pres Parent Association and generous terms with Republic Bank, we were also able to

address some capital improvement projects around the school. The Operations Manager led a contractor team that replaced all of the school's light bulbs with LED bulbs; plastered and repainted two of the stairwells; and installed water fountain bottle-fillers. Plans for the next fiscal year include upgrading the security cameras; tuck-pointing and masonry work on the outside of the building; and returning the second floor back to the refinished wood floor.

Your financial assistance has made a difference for the faculty, staff and students at Presentation Academy. We appreciate all of your support! We can't wait for the day we can welcome you back to campus so that you can see all of the exciting things happening at Fourth and Breck.

Why I give back to Pres

Heather Moss '90
Alumnae Board President

"It is my pleasure and honor to volunteer and give back to Pres - A place where many of us felt at home, a place where I made lifelong friends, and a place where I was prepared for college and learned to not only be a leader but the importance of service. While my parents were my biggest influencers, their support in sending me to Presentation Academy helped forge a life of leadership and service, making Pres another huge influencer. It is only natural for me to give back to the place that helped me become who I am today. I am currently a principal in JCPS and oversee 13 hospital and residential programs that service students who are in crisis or have experienced severe trauma. I attribute much of what I experienced at Pres to leading me down this path. I hope that through my service to Pres I can encourage others and provide opportunities for other young women to grow in both leadership and service at Pres. Once a Pres Girl, always a Pres Girl! It is a sisterhood and family like no other."
