**Congratulations,
Class of 2020!**

From the President's desk

Dear Alumnae and Friends,
I hope this letter finds you and your loved ones not only safe and healthy, but full of faith as we continue to navigate the pandemic together.

The mission of Presentation Academy is to ensure that every young woman – no matter her race, religion or socio-economic status – has access to a Catholic education. As our city and country confronts racism and injustice, we know access to an education is one of the greatest gifts we can give a young woman to help her have the best possible future. Your support is vital to ensuring Pres remains a diverse community of students.

The start of the 2020-2021 school year was very unique, with temperature checks, health screenings, masks, plexiglass barriers and social distancing, but the faculty and staff have done an amazing job to ensure we can operate

Dills

safely and deliver an outstanding educational experience for our Pres Girls.

This past fiscal year, we made tremendous progress toward our goal of finding and establishing sustainable financial resources. Highlights for fiscal year 2019-2020 include the creation of new investment and spending policies. The Board of Trustees Investment Committee finalized our search for an investment broker. We have also been blessed with a major gift from an honorary alum, Tower Award recipient and long-time benefactor, Sue Ratkowski H'06. Sue passed in January 2020 and was a pioneer in her field of business and technology, and her donation will establish our quasi-Board endowment. Our goal is to grow funding for financial aid with matching gifts during the 2020-2021 fiscal year.

Thanks to your generous donations we were able to continue to make capital improvements to our facilities. Masonry work/tuck pointing was completed on the Breckinridge side of the academic building. On the second floor, the carpet was removed and the original hardwood floor was refinished. The plaster on the second-floor main hallway was repaired and repainted. We also completed installation of water bottle fillers on all

four floors in the academic building and on both floors in the Arts and Athletic Center, eliminating the need for bottled water on campus.

As we continue with our environmental sustainability efforts, we are proud to announce that our 16 solar panels were installed on the roof of the Arts and Athletic Center. Since its installation in January, the system has generated more than 4,000 kilowatt hours of electricity and reduced Pres's carbon footprint by 4 tons. The life span is about 50 years and will save Pres about \$40,000.

Finally, we miss seeing you in person. In 2020, we had to cancel our class reunions due to COVID-19, but we are hoping to resume them in 2021 with alumnae in classes ending in 0, 1, 5 and 6. Its never been more important to stay connected. We encourage you to reach out, and we will be doing the same.

Why I give back to Pres

Ceci McKiernan Maguire '71 Alumnae Board President

Why do I give back to Pres?
Let's go back several decades.

The first .png in my brain's "Pres File" is of my mother and me on a January afternoon debating high schools. I

remember the discussion in which Presentation became the choice that shaped who I am today.

At graduation I had the ability to develop a successful and satisfying career and conveyed the inclination to help when needed.

Fast forward to when my oldest made Presentation her choice; in it was a desire to be independent—a hallmark of what a Pres Girl is. Her siblings, I am

proud to say, also chose Pres; great influencers were the Pres Girls they knew through their sister. All three have given back to Presentation as Coach, Campus Minister/Assistant Athletic Director, and Admissions Director.

A change in my career path (a move from middle school to adult education) provided me with time to give more than monetarily to Presentation and I joined the Alumnae Board. I have gained more than I have given, having become friends with women from the Class of '53 to the Class of '20 as we help where needed.

Our goal this year is to bring more alumnae "Home to Pres." If you're a fellow alum, please stay tuned. We're going to ask you to give back to Pres in as many ways you can. The choices are numerous, and the outcomes will be delightful.
