

PRESENTATION ACADEMY

2021-2022 ANNUAL REPORT

From the President's desk

We did it! Together, we surpassed Presentation Academy's 190th birthday goal to raise \$190,000 for capital projects and scholarships. From November 2021 to June 2022, alumnae and friends of Presentation joined together to complete the 190th Anniversary campaign four months early. In the spring, dozens of named scholarships were awarded to current and incoming students succeeding in academics, leadership, service, and more. The new Tillie Edelen Gibson '58 Scholarship was created over the summer in honor of Presentation's first Black graduate.

Capital projects completed since the start of the campaign include sealing and winterizing the windows of the historic Tower atop the academic building; doubling the number of solar panels on the roof of the Arts and Athletic Center, now totaling 96 panels; and starting to protect the façade through brick tuckpointing.

Beyond the 190th Anniversary campaign, the first donations arrived for Presentation's new endowment. Later in the annual report, you will see a list of the generous leaders who pledged

sustainable gifts to Presentation. All Presentation supporters are invited to consider a gift to the endowment through a planned gift in your will or a donation today.

Presentation broke records throughout the year for support raised to benefit our Pres Girls. Thank you to all alumnae who participated in the 2022 Alumnae Unite campaign. Together, you raised a record-breaking \$52,470 for the Annual Fund. Presentation also received multiple grants, including a grant for COVID-19 vaccination promotion from the Kentucky Association of Health Plans.

The Class of 2022 broke records of their own through their academic and extra-curricular successes. The Class of 2022 was accepted to 80 colleges and universities, including Historically Black Colleges and Universities and other prestigious schools. More than a third of Presentation's graduates are staying close to home and sharing their talents with Louisville area colleges and universities. They earned \$7.8 million in scholarships and performed over 4,500 hours of community service. Seven

percent of the Class of 2022 were proud first-generation high school graduates, and 22 percent will become first-generation college graduates.

As Presentation looks toward the next 190 years, planned giving, especially planned endowment gifts will become a critical area of focus. Stay tuned for a planned giving campaign later in the 2022-2023 academic year.

A handwritten signature in blue ink that reads "L. Dills".
