# Alumnae UNIT

## Mark your calendars! Alumnae Unite April 18-20

Alumnae Unite is set for April 18-20, and we'll need all of your support to help us reach our goals!

This year, it's up to you to take the lead, just like the current Pres Girls! Pres students take the lead every day, like Madeleine '23. Madeleine represented Presentation at a Kentucky Youth Assembly (KYA) debate in Frankfort, Kentucky and made a moving speech in favor of expanding classes to include different perspectives of events. Madeleine spoke about how, as an immigrant herself, she supported Kentucky students learning about how other places in the world interpret and react to history.

"I believe that a contribution from Pres alumnae will encourage students to continue to live their purpose of being a Pres girl. It will remind us to not put our education to waste, but to apply our education to different aspects of the world like becoming doctors, artists, government officials, teachers, and many other powerful roles. After high school, there is a bigger world waiting for us, but we have to use the power instilled in us to create a better world for ourselves and the generations to come."

All funds raised benefit all Pres Girls through the Annual Fund. To make your Annual Fund donation now and contribute to our 20% Alumnae Participation Goal, [visit our website.](#)

Congratulations to Pres Alumna Mary Margaret Mulvihill '60 for being named one of the seven inductees into the "Kentucky Women Remembered" portrait exhibit in the state Capitol.

One of the first women elected to the City of Louisville Board of Aldermen, she paved the way for young female leaders who came behind her. She also served her community on numerous nonprofit boards and commissions, including the Coalition for the Homeless, Transit Authority of River City, Elderserve and the University of Louisville.
