

Additional Honors Sophomore Reading Assignment

***This assignment is in addition to the Summer Reading Project

Please have the book *The Queen of Water* by Laura Resau read by Thursday August 16th. It is available at most libraries, book stores, and Amazon. We will have a test and a writing assignment over it within that first week and a half of school.

Please contact me if you have any questions.

I look forward to teaching all of you next year! Enjoy your summer!

Thank you,

Ms. Graves
