

CLASS OF 2024 FRESHMAN ORIENTATION

Freshman Orientation for the Class of 2024 is scheduled for July 27 - July 30.

In order to ensure the safety of your daughters and staff, we will be hosting orientation in two sessions:

Session 1 - Last name A - J - 8:30 a.m. - 11:30 a.m.

Session 2 - Last name K - Z 12:30 p.m. - 3:30 p.m.

If your daughter's assigned session or the week does not work for your family, please let Caitlin Maguire (cmaguire@presentationacademy.org) know as soon as you are able so we can change her session or make alternative arrangements.

Freshman Orientation will be the place where your daughter receives her new device, learns how to get around the Pres Campus, and gets to know her new classmates, so it is an important part of her successful transition to high school.

IMPORTANT NOTE: This week will also be an introduction for your daughter on our protocols for this school year so we can reopen safely in August. These guidelines are currently being created by a reopening committee--it's made up of faculty, staff, administrators, parents, and board members, and that team is combing through guidance from the CDC, Kentucky Department of Education, and Archdiocese of Louisville. We're committed to developing protocols that meet all these guidelines, and we'll share those details with you as we finalize them.

We also plan to schedule a virtual training for you and your daughter before you arrive to campus for orientation. The date and time has not yet been determined for this mandatory training, so be on the lookout for an e-mail with this information. If you have not been receiving any e-mails from our Director of Admissions, Caitlin Maguire, please contact her to make sure your e-mail is up to date so you receive this information for this essential training.
