

June 2022

Dear Parents:

It's hard to believe it's already the midpoint of the summer! We hope you and your family have had a chance to rest and relax, and that everyone is staying healthy and safe. Although classes ended last month, Presentation's hallways have been filled with summer campers, student athletes, and a staff that's hard at work getting ready for the year ahead.

We had so much to celebrate in the 2021-2022 school year; it was wonderful for everyone to be together again on campus, and we enjoyed being able to gather together for school dances, pep rallies, retreats, and countless other activities. We also celebrated Presentation's 190th birthday--what a gift it is to be part of a school community that has educated and empowered young women for almost two centuries! We look forward to continuing this tradition of excellence as we prepare for the 2022-2023 school year.
